Offering Documents and Investment Risks

Units in funds mentioned on this website may only be bought and sold on the terms set out in the relevant PDS. Investments in emerging markets and smaller companies may involve a higher degree of risk and are usually more sensitive to price movements. Past performance is not a guide to future returns and investors should be aware that the value of units and the income from them may fall as well as rise and they may not get back the full amount invested. Exchange rates may also cause the value of the underlying overseas investments to go up or down. Prospective investors should consult their own professional advisers on the legal and tax implications of making an investment in, holding or disposing of any units mentioned herein and the receipt of distributions with respect to such a fund.
